4. **Limitation on Authority**

4.1 FIM, acting as a consultant, shall not have the power or authority to enter into any transaction on behalf of, or in any way to bind, the Co-Manager or the Company.

4.2 In carrying out its duties hereunder, FIM shall comply with all instructions of the Co-Manager in connection therewith. Such instructions may be given by letter, by fax, by e-mail or by telephone (and the Co-Manager undertakes to confirm telephone instructions by fax, e-mail or in writing) by any director of the Co-Manager or by any other person authorised by a resolution of the directors of the Co-Manager (of which a copy, certified by any two such directors, shall have been supplied to FIM).

4.3 For the purposes of clause 4.2 and unless and until FIM shall receive written notice that any such person's authority has been revoked FIM may rely or act upon any instructions or communications which FIM believes, on reasonable grounds and in good faith, to have been given by or on behalf of any persons notified by the Co-Manager from time to time in accordance with clause 4.2 as being authorised to instruct FIM.

5. **Delegation and Use of Agents**

FIM may not delegate or sub-contract any of its duties or services under this Agreement without the prior written consent of the Co-Manager provided that, in the event such delegation or sub-contracting is so permitted, FIM shall be relieved of any responsibility for the acts or omissions of such delegates except in circumstances where FIM shall be shown to have assumed responsibility for such acts or omissions.

6. **Client Money**

FIM will not hold cash on behalf of the Company.

7. **Custodial Services**

FIM will not be responsible for the provision of any safe custody services in relation to the Company.

8. **Valuations and Reports**

FIM will provide such assistance, information and reports as the Co-Manager and the Company's auditors may from time to time require in connection with the preparation of valuations in respect of the Company, the preparation by the Co-Manager of periodic reports for submission to the Company and the provision of annual, semi-annual and other reports for the benefit of Shareholders or prospective Shareholders of the Company whether these are published by the Company or the Co-Manager. FIM shall in addition provide such representative or representatives as the Co-Manager may from time to time request to attend board meetings of the Company with the Co-Manager and report to, and discuss with, the Directors of the Company the performance of the Company and other matters related to the management of the assets of the Company.

9. **Investments**

FIM may provide investment advice to the Co-Manager with respect to investments in collective investment schemes within the meaning of Section 75 of the United Kingdom Financial Services Act 1986 ("FSA") which are or are not authorised or recognised under ss78, 86, 87, 88 FSA (whether or not FIM and/or its affiliates are concerned in the operation thereof) and Contingent Liability Transactions. Advice on Contingent Liability Transactions may extend to investments not traded on exchanges recognised under the FSA or designated by the United Kingdom Financial Services Authority. Advice may relate to transactions with counterparties or through intermediaries that do not owe a duty of Best Execution.

FIM may provide investment advice to the Co-Manager subject to FIM having all necessary regulatory and other consents pursuant to the Investment Business Act 1998 of Bermuda to the extent FIM is carrying on investment business in or from within Bermuda by virtue of this Agreement or otherwise.

**10. Potential Conflicts of Interest and Disclosures**

FIM may be involved in other financial, investment or professional activities which may be similar to, or in competition with, its activities for the Co-Manager with respect to the Company. FIM may effect transactions in which FIM, or its partners, officers, employees and directors, has, directly or indirectly, a material interest, which may involve a potential conflict with FIM's duty to the Co-Manager and the Company. FIM shall disclose such conflicts, but shall not be under any obligation to account to the Co-Manager or the Company for any profit, commission or remuneration earned or received in connection therewith. However, FIM shall at all times:-

- (a) Have due regard to its duties to the Co-Manager and the Company and, where a conflict arises, use all reasonable endeavours to ensure it is resolved fairly; and
- (b) Where FIM acts as consultant to other ventures similar in nature to the Co-Manager's and the Company's business, act fairly with respect to the Co-Manager and the Company.

**11. Fees and Expenses**

Fees and expenses shall be as detailed in Schedule 1 to this Agreement, or as agreed from time to time between the parties.

**12. Exclusivity**

12.1 The appointment of FIM by the Co-Manager hereunder shall not be deemed to be an exclusive appointment. FIM shall be free to render similar services to others as if FIM were not acting as consultant to the Co-Manager under the terms hereof for so long as its services hereunder shall not be impaired thereby.

12.2 While this Agreement is in force, and for as long as FIM acts as consultant to the Co-Manager to advise it on the business of the Company, the Co-Manager may not appoint another consultant to provide services similar to the services that FIM provides under the terms of this Agreement.

**13. Liability**

13.1 In the absence of gross negligence, fraud or wilful default on the part of FIM, or failure to comply with instructions of the Co-Manager pursuant to clause 4.2, its directors, officers, employees or agents, FIM shall not be liable to the Co-Manager or the Company for any act or omission in the course of, or in connection with, the services rendered by it hereunder or for any decline in the value of the assets of the Company or any loss whatsoever that may result to the Company or the Co-Manager.

13.2 The Co-Manager agrees to keep FIM, its partners, officers, employees and directors indemnified from and against all claims, costs, charges, liabilities and expenses incurred by them directly or indirectly from any act or omission in the course of or in connection with the services provided by FIM hereunder ("Claims and/or Liabilities") provided that such indemnity shall not apply to the extent that any such Claim and/or Liability is due to the failure to comply with instructions of the Co-Manager pursuant to clause 4.2 or the fraud, wilful default or gross negligence of FIM, its partners, officers, employees, directors or agents.

**14. Termination**

14.1 This Agreement and the appointment of FIM hereunder shall continue until 31 December 2002. Thereafter, this Agreement shall be automatically renewed for successive one year periods, subject to termination as of the close of each calendar month by either the Co-Manager or FIM giving to the other party not less than six months' written notice (or such shorter notice as the parties may agree to accept).

14.2 Without prejudice to the accrued rights and provisions intended to survive termination, this Agreement may be terminated forthwith by written notice given by the Co-Manager or FIM to the other party if:-

- (a) the other party shall commit any material breach of its obligations under this Agreement and shall fail to make good such breach within thirty days after receipt of notice from the other party requiring it so to do;

(b) the other party becomes insolvent or goes into liquidation (except a voluntary liquidation for the purposes of a reconstruction, amalgamation or merger upon terms previously approved in writing by the other party, such consent not to be unreasonably withheld or delayed) or if a receiver or administrator is appointed over all or any of its assets;

(c) the Co-Manager shall cease to be the co-manager of the Company; and

(d) FIM shall cease to be authorised by IMRO to provide its services under the terms of this Agreement.

14.3 Upon termination of this Agreement, FIM shall deliver to the Co-Manager or to such other person or corporation as the Co-Manager shall in writing direct, all books of account, correspondence and records or other documents which are in its power and/or possession, belonging to or relating to the Company.

14.4 On termination of this Agreement FIM shall be entitled to payment of its fees and expenses as referred to in clause 11 pro rata to the date of the termination and any additional expenses necessarily realised in settling or concluding outstanding obligations.

14.5 Termination of this Agreement shall operate without prejudice to any rights which either party may have against the other in relation to any antecedent breach by the other of any provision of this Agreement.

14.6 In the event of termination of this Agreement, all pending trades and transactions shall be settled in the ordinary course and consistent with existing trade practices.

## 15. **Confidentiality**

Each party shall at all times keep confidential, confidential information acquired in consequence of its services under this Agreement except information which it is bound to disclose under compulsion of law or compulsion of regulatory agencies to whose jurisdiction it is subject. This clause shall survive the termination of this Agreement.

16. **Notices**

Any instructions, notices, demands, acknowledgements or requests to be given by either of the parties hereunder shall, subject to any express provision of this Agreement, be given in writing in the English language (and may be delivered in person or sent by fax, e-mail or recorded delivery post) to the other party at the following address or any address subsequently notified by the relevant party to the other:-

20. **Entire Agreement**

This Agreement sets forth the entire agreement of the parties relating to the subject matter hereof.

21. **Waiver**

The failure by any party to enforce at any time or for any period any one or more of the provisions of this Agreement shall not be a waiver of any one or more of them or of the right at any time thereafter to enforce all or any of them.

22. **Invalidity**

If any provision of this Agreement is or becomes invalid or contravenes any applicable law, the remaining provisions shall remain in full force and effect.
